

## PUBLIC EDUCATION COORDINATOR

Join our team and be a part of “*finding a better way*”.

### **The Commission...**

The Fundy Region Solid Waste Commission is responsible for solid waste disposal and diversion in the Greater Saint John area, including Crane Mountain Landfill and the compost and recycling programs. The Commission is a not for profit organization governed by representatives of municipalities and local service districts. The scope of Public Education includes the businesses, institutions, and more than 40,000 households of the Fundy Region.

### **The Position...**

Reporting to the Public Relations Officer, the Public Education Coordinator is responsible for the organization and implementation of numerous programs with the purpose of increasing participation in waste diversion. The coordinator will develop and implement a number of methods to educate, motivate and inspire a diverse group of audiences including schools, municipalities, businesses and special interest groups. Creativity and a desire for continuous improvement are the core values for this role. The candidate’s own unique flare will help steer the programs required for this exciting position.

### **The Qualifications...**

Any combination of post secondary education and experience in public relations, marketing, education or other relevant field will be considered. Dynamic presentation skills and an enthusiasm for motivating others are necessities to be successful in this position. A background in the environment is not required, but a demonstrated interest will be considered an asset. Superior interpersonal and organizational skills, plus an ability to work independently and within a small team is required. Bilingualism (English and French) is preferred.

This is a full-time position with an excellent pension & benefits package.  
Salary Range: \$33,000 - \$39,000
